STATEMENT OF COMPLIANCE WITH THE FCC'S CUSTOMER PROPRIETARY NETWORK INFORMATION (CPNI) RULES

To the best of my knowledge, XIT Rural Telephone Cooperative, Inc. and XIT Telecommunication & Technology, Ltd. (collectively and individually "the Company") is in full compliance with the FCC rules on CPNI and its requirements for the safeguarding of such customer information. The Company's operating procedures ensure that it is in compliance with the FCC's CPNI Rules because disclosure of, or permitting access to, our customers' CPNI is not allowed without obtaining the requisite customer approval, except as required by law, or the exceptions set forth in 47 U.S.C. §222, and Subpart U of Title 47 of the Code of Federal Regulations; 47 C.F.R §64.2001 through §64.2011.

Appropriate safeguards on the disclosure of CPNI have been implemented in accordance with C.F. R. §64.2010, including, but not limited to the following: Customers are properly authenticated before disclosing CPNI on customer-initiated telephone calls or business office visits. Authentication through the use of passwords and back-up authentication questions in the event of lost or forgotten passwords has been implemented. Passwords and back-up authentication questions are established in accordance with § 64.2010(e). At the present time customers do not have online access to their accounts. The Company has implemented procedures to notify customers of account changes.

The Company has internal procedures in place to educate our employees about CPNI and the disclosure of CPNI. Employees with access to this information are aware of the FCC's rules and are prohibited from disclosing or permitting access to CPNI without the appropriate customer consent or as allowed by law and the FCC rules. Any employee that discloses CPNI is subject to disciplinary action, and possible termination.

Use of CPNI for Marketing: To the best of my knowledge and belief, the Company does not presently use, sell, or otherwise release CPNI for marketing or other commercial purposes. If our customers' CPNI is to be used for sales and marketing campaigns in the future, the required notification will be provided to customers, approval obtained as required, and appropriate safeguards will be implemented in accordance with 47 C.F.R. §64.2009.
